Zurich, 08 February 2017

Swissport awarded Cargo Handling by Emirates SkyCargo for three airports in France

Swissport Cargo Services France, a subsidiary of Swissport International, the world's leading cargo services provider to the aviation industry, will handle cargo at CDG, LYS and NCE for Emirates SkyCargo, the largest cargo airline worldwide in terms of international freight tonne-kilometres flown.

The agreement with Emirates SkyCargo is the result of a rigorous selection process and will be effective from 01 April 2017. It covers the complete scope of cargo handling services including full freighter and warehouse handling and signals the beginning of a mutually beneficial cooperation between the two organisations in France.

Swissport is looking forward to providing its professional services to Emirates SkyCargo and its customers. Simon Messner, SVP Europe at Swissport International, comments: "We are proud to be a strategic partner of Emirates SkyCargo. Swissport is in the right position to meet the daily needs of Emirates SkyCargo in France and will be a reliable local partner for this outstanding cargo carrier."

"Emirates SkyCargo is pleased to be partnering with Swissport in France," said Henrik Ambak, Emirates Senior Vice President, Cargo Operations Worldwide. "We are confident that Swissport's expertise combined with our shared values and our focus on quality, safety and excellence in customer service will support us in delivering industry leading air cargo solutions to our cargo customers in France and around the world."

Emirates SkyCargo offers belly hold cargo capacity to French customers on its passenger flights to Paris, Lyon and Nice and also operates scheduled weekly freighter flights to Paris and Lyon facilitating trade between France and the rest of the world through Emirates SkyCargo's global network of over 150 destinations across 83 countries in six continents.

Swissport International Ltd. provides ground services for more than 230 million passengers and handles 4.3 million tonnes of cargo a year on behalf of some 835 client-companies in the aviation sector. With a workforce of more than 62,000 personnel, Swissport is active at more than 280 stations in 48 countries across five continents, and generates consolidated operating revenue of EUR 2.7 billion. www.swissport.com

Emirates SkyCargo is the freight division of Emirates airline and the world's largest international air cargo carrier connecting customers to over 150 destinations across 83 countries in six continents through its hub in Dubai. The carrier operates a young and modern fleet of 255 aircraft, including 15 freighters – 13 Boeing 777-Fs and two B747-400ERFs.
