Ligentia Group purchases the business and assets of Air & Cargo Services Ltd

Ligentia Group purchased the business and assets of Air & Cargo Services Ltd on the 13th December 2018. The deal sees Ligentia providing a home to Air & Cargo Services' employees and in doing so, delivers continuity of service to customers who will also be offered a warm welcome and rapid on-boarding into the Ligentia community. The integration also strengthens Ligentia's UK footprint and the organisation's global freight forwarding proposition.

As trusted partner to some of the world's leading companies, the purchase will see Ligentia's fast expanding global network grow to 70+ offices, employing 450+ staff and generating annual revenues of £160m in 2019.

Ligentia customers enjoy stability, reliability and agility underpinned by proven, innovative technology to drive supply chain performance and control.

Ligentia's Chief Customer Officer and MD for Europe, Dan Gill explains: 'This deal supports a focus on offering technology-led freight forwarding solutions to customers around the world. We will be rapidly integrating knowledge and capabilities to continue to deliver as a trusted partner to both our long-term and new customers'.
